

Company Background

Absolute Living (Thailand) Co., Ltd. provides a new concept in retirement resort living for long stay. We offer many services and amenities that would have come with an assisted-living facility and independent-living facility. We combine beautiful resort-style living environments with extensive lifestyle amenities and caring personal service to offer seniors the utmost in enjoyable and enriched retirement living in **Long Lake Hillside Resort**.

Our Team

To deliver the best service, we select the best and brightest people—all are led by an experienced management team and driven by the shared commitment to help seniors live life to the fullest. All staffs having contact with residents must have required initial training and refresher training as needed. They must have the necessary knowledge, skills, abilities and training to perform their tasks and meet the health and safety of resident.

Scope of Services

Assisted living services: For seniors who can no longer manage on their own and require intensive, 24-hour or 12-hour medical care, we provide a combination of residential living, health and recreational services, and help with daily living activities which can improve their health and maintain their independence.

Independent living services: For active seniors who still have lots of energy to enjoy new experiences, Long Lake Hillside Resort is a place where you can have fun, engage in new activities, make new friends, exercise the mind and body, and enjoy the company of others.

After-hospital stay services: For those in need of assistance following surgery, illness or caregiver vacation
